## Notes...

Since you paid for your airline tickets to Iguazu Falls during a special price offer, those tickets were about \$209 per person, round trip. The total land/tour portion (based on double occupancy) is \$1,550. A deposit of \$500 per person is due now (plus the airfare which you have already paid). The balance is due December 18, 2009.

## Pre-cruise Package

We can offer one night in Rio with a full custom sightseeing tour with transfers from the airport and to the pier. The hotel is the Sofitel Rio (5 crown) with an ocean view, right on Copacabana Beach (Go ahead, sing the song...). Also included is a wonderful Brazilian breakfast. Sightseeing will include Sugarloaf tram to see "Christ the Redeemer" and the following day a tour to Corcovado where you will experience views you will never forget. The cost per person is \$670 based on double occupancy and the sightseeing would be just the 8 of you with a private guide. Oceania also offers a one night hotel package at the Marriot (4 crown) which does include transfers, but no ocean view, no breakfast and no sightseeing for \$499 per person.
